Renovation, Repair, and Painting (RRP) Firm Certification Application

Revised August 10, 2016
Application Instructions
Renovation, Repair, and Painting Firm Certification

Firms performing renovation, repair, and painting projects in Washington State that disturb lead-based paint in pre-1978 homes, child care facilities and schools must be certified and must follow specific work practices to prevent lead contamination. Property managers and landlords who perform these projects in pre-1978 rental housing or space rented by child-care facilities must be certified and must follow the lead-safe work practices required by the Renovation, Repair and Painting rule (RRP).

Who should use this application?
• Firms applying for Washington State RRP certification for the first time.
• Firms wishing to renew their certification for RRP.

Follow the steps below for completing the application process.

STEP 1
Complete the application for Renovation, Repair, and Painting Firm Certification.

STEP 2
Review WAC 365-230 and become familiar with the requirements as they apply to firms and employees.

STEP 3
Read and sign the Letter of Compliance on the bottom of the application form.

STEP 4
Mail your application packet with the required $25 fee for each firm application. Application fee is non-refundable. Send check or money order made payable to Commerce and completed application to:
  Department of Commerce
  Lead-Based Paint Programs
  PO Box 42525
  Olympia WA  98504-2525.

Liability Insurance: Renovator companies are solely responsible for obtaining appropriate insurance for renovation activities, and for ensuring that each employee performing renovation work is properly trained.

How to Apply for Re-certification
Firms must be re-certified every five (5) years for renovation, repair, and painting activities. To ensure that your firm will be re-certified before its current certification expires, you should submit this application again well before the expiration date. Applications submitted by mail may take up to 90 days to process.
